MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Requests for Permissive Jump Status or Permission to Jump on Fort Benning

1. REFERENCES.

a. MSG, HQDA, DAPE-MPE-DR, dated 201751ZMAR00, Subject: Permissive Parachuting Program.

b. USAIC Reg 350-3, dated 2 June 2000, Subject: Military Parachuting on Fort Benning and Fort Benning Satellite Installations.

2. PURPOSE. To provide information to individuals on Fort Benning or visiting Fort Benning with the procedures for obtaining permission to participate in airborne operations. The entire contents of this document are included in USAIC Reg 350-3.

3. CONCEPT.

a. Permissive Jump Status. DA policy dictates that only the MACOM Commander can authorize permissive jump status. The TRADOC Commander has delegated his authority to the Commanding General, USAIC. Fort Benning personnel desiring permissive jump status will submit a request through their chain-of-command and the Director, Operations and Training (DOT) to the Commanding General, USAIC.

b. Permission to Jump on Fort Benning. Soldiers assigned at other installations wishing to jump on Fort Benning must receive permission to do so from the DOT. The request procedures are outlined below. These soldiers must already be on jump status orders from their command or they must have permissive jump status approved by their MACOM Commander.

SUBJECT: Requests for Permissive Jump Status or Permission to Jump on Fort Benning

4. PROCEDURE.

a. Fort Benning Soldier Requests Permissive Jump Status.

(1) The HQDA policies for obtaining permissive jump status are specified in Enclosure 1 - MSG, HQDA, DAPE-MPE-DR, 201751ZMAR00, Subject: Permissive Parachuting Program. All applicants must meet the requirements of this document. Permissive jump status is currently not covered by any DA Regulations. The enclosed message is the standard.

(2) If the applicant meets the requirements, the Soldier must submit a request for permissive jump status. This request must be routed through the chain-of-command and DOT to the CG. See Enclosure 2 (Sample Request for Permissive Jump Status).

(3) The Fort Benning JA/ATT Coordinator, OTD, DOT, 545-4764 will submit a completed copy of all approved permissive jump status orders to HQDA. HQDA POC is Mr. Wells, DSN 225-1554.

b. Soldiers from Other Installations Requesting Permission to Jump on Fort Benning.

(1) Soldiers from other installations who desire permission to jump on Fort Benning must already have approved jump status orders from their home-station command. This can be in the form of either formal jump status orders or permissive jump status orders.

(2) If the applicant meets the requirements listed above, the Soldier must submit an application for permission to jump on Fort Benning. This request must be sent to the DOT for approval. See Enclosure 3 (Sample Request for Permission to Jump on Fort Benning).

(3) Soldiers jumping as part of their unit do not need individual permission as long as the unit has properly requested and received permission to jump.
